

Planning the Vacation of Your Dreams?

Protection Before, During and After Your Trip

A cancellation, interruption or delay of your vacation can ruin your investment and add more costs to your trip. CSA Vacation Rental Insurance plans provide important insurance coverage, benefits and 24-hour emergency assistance services to take care of you while traveling and protect your hard-earned investment. For just 6.5% of your trip cost, you can travel with peace of mind and prepare for the unexpected:

- You or a Family Member develops an unexpected illness, causing everyone in your traveling party to cancel the trip.
- A transfer of employment of 250 miles or more impacts your vacation.
- An extension of school year prohibits your children from traveling.
- Jury duty forces you to stay Home.
- Your involuntary termination of employment or layoff ends your travel plans.
- A Terrorist Act at Home or in one of your destination cities restricts your travel.
- A mandatory hurricane evacuation prevents you from traveling or forces you to return Home early.
